

## Environmental Management System

### Policy:

*“SanDisk is committed to be a partner in sustaining the environment.”*

### Objectives:

- Prevention of pollution by limiting waste and promoting recycling
- Satisfaction of customer and relevant legal and environmental regulations, which relate to environmental aspects of activities, products, and services
- Continual improvement in reduction of the environmental impact of our products and activities by reviewing and setting sound environmental objectives and targets

## Business Management System

### Policy:

*“The quality objective of SanDisk is to ensure Total Customer Satisfaction. It is the company policy to achieve this objective by developing and continually improving our products and services to consistently meet or exceed the requirements and expectations of our customers.”*

### Objectives:

- Customer Satisfaction
- Product and Process Improvement
- Cost Reduction
